

IDOL Vodka is the latest creation from notable wine aficionado, Jean-Charles Boisset, President, Boisset America. It took him more than seven years of experimenting with a variety of grapes, waters, filtration systems and distilling processes.

IDOL Vodka is made from wine-quality Pinot Noir and Chardonnay grapes and combined with pure water from Cote d'Or in the Burgundy region of France. The vodka is distilled seven times and filtered five, resulting in a very rare combination of extreme purity and smoothness while preserving a sense of the terroir of the Burgundy region.

This luxurious, romantic cocktail combines IDOL Vodka with a hint of rose essence and Black Muscat wine. Top it off with a rose petal.
